Supporting you on your path to better health

Your health — both physical and mental — is everything. Whether you're managing a chronic condition or dealing with other complex health challenges, our nurses can help. A nurse can work with you to put together a plan, help you understand your benefits offerings and answer your health-related questions.

One-on-one personalized nurse support

Our clinical nurses can collaborate with service teams to help you achieve your health goals. Our nurses are supported with a multidisciplinary team that can help guide you to local resources.

Local support

With CVS® HealthHUB™ and MinuteClinic® locations found inside select CVS Pharmacy® and Target® stores, you have a broad range of services to keep you and your family healthy.

Tools, tips and support centers

Through your Aetna® member website, you'll be able to locate a doctor, review your personal health record and watch informational health videos. And for specific health needs, you can explore member resources like the Cancer Support Center, the Maternity Support Center and the Back and Joint Care Support Center.

Access to information — whenever, wherever

Always on the go? No problem. Your member website is fully mobile. Remember, this is your one-stop shop for getting the help you need. And when you download the Aetna HealthSM app, you can access it all from the palm of your hand.
